## *Words from Their Excellencies*

Greetings unto the people of Dragon Dormant,

We would like to take a moment to again congratulate those who were recognized by the Crown at the past King and Queen's Rapier on Feb 9th. It was a beautiful day full of celebrations for a wonderful people. We would also like to extend our most sincere gratitude to all who worked so hard to make the event a success. The freezing blast of winter was no match for the warmth of friendship that day.

We now look to the coming months where weather is not the only change to look forward to. Our Heir (Our Heir, not the Baronial one) will be born in the coming months. While we will need to take a breath as we grow accustomed to our new family, We would again like to offer assurances that we will still be around and active. The coming year will see Our Baronial focus shift to more local workshops, projects and a continued support of Baronial Curia and to those autocrating events.

Those who attended Moot at the Baronial Rapier Championship in March are up to speed on the current plans for the Baronial Archery Championship this summer and Border Spat this fall. We are very excited about the ideas that came forth and would encourage everyone to offer their support to the autocrats whenever possible.

Finally, the summer camping season is upon us, and while We will be a little more restricted in our travel, many of you will be visiting distant lands. Those of you who travel this summer, please remember that you represent the beloved Barony of L'Ile du Dragon Dormant. We know that you will do so with pride and honor. We look forward to the many stories you will bring back to us.

In Service,

Angus and Tadea  
Baron and Baroness of L'Ile du Dragon Dormant

## *Words from the Seneschal*

Greetings to the Populace,

Here is what is going well:

Thanks to the many volunteers who helped us bring Rapier to life in our Barony over the last 6 months. Kings and Queens was amazing, and so was the Baronial Rapier Championship. We have a new Rapier Champion, the Lady Mayuki, who won the baldric with a dazzling display of prowess and panache. I know she will make us all proud this summer.

We had a great discussion at the latter event about the direction our Barony will take in the months ahead. I would like to highlight some key points.

We also had someone step forward to autocrat the upcoming Fall Border Spat with Ealdormere. These are exciting tidings for everyone, because it really does mean more fun. Plans are underway, but we do need to assemble a team for that event. If you contact me, I'll be happy to let you in on the details.

This event will take place just a few weeks after the crowning of new Royals in Ealdormere. The stage will be set for all of us.

So, on the whole, things are going really well. Our practices are getting larger attendance, and with the summer coming we will be able to get Heavy going and make Rapier more visible.

Our Barony's roll is growing...

Here is what we can improve:

In the last few months I've watched us get too relaxed about paperwork at our Baronial practices. If you are someone who is taking care of, or helping to take care of a practice, please make sure that you have all the necessary paperwork in advance of your practices. It is very important that our paperwork is up to date and complete.

Our curia also needs some reinforcing. We have several key positions that need a deputy, or will need to be filled shortly. Curia is the team that makes sure we are running from day to day. It is not a huge amount of effort, but highly necessary effort if we will keep growing. At some point nearly everyone takes a place on Curia for a while. Is it your turn to step up?

I am reaching the end of my first term in office as Seneschal. While we are not precisely where I would like to be, we have made a sharp move in the right direction. We have momentum. Let's use it this summer to expand our ranks. Who do you know who might love what we do?

When would you like to invite them to practice?

In Service,  
John Radburne
