1. EK 50th Anniversary Discussion

Coordinating volunteers to staff the History display – a sign-up sheet will be created on Google Docs. The display needs to be set-up on Thursday and should be staffed Fri-Sat from 10am-5pm and Sun from 10am-12pm.

Tir Mara Encampment – we should bring the 2 silk standards, the baronial banner and the Tir Mara banner at a minimum for decorating the encampment.

Budget item – Jeanne would like to purchase some stake flags, spray chalk and a 200' tape measure for staking out the encampment. She proposed a budget of \$50.

Vote: 5 in favour, 6 abstentions. Motion passed.

2. Archery

Medallions – Cuan has purchased 20 blank leather archery ranking medallions at a cost of \$20 US. He will be painting them and keeping them with the archery gear for people to wear during practices.

Targets – we now have 2 new targets. 1 was purchased entirely with donations from the archers. The other was purchased by Cuan. We currently have \$44 in donations towards a 3rd target. Cuan proposed the Barony reimburse him for the target that he purchased and that we will continue to fundraise to pay for the 3rd target.

Vote: 5 in favour, 6 abstentions. Motion passed.

Archery tabards - Cuan proposed that we purchase fabric to make tabards that archers can wear at practices. His hope is that having “garb” to wear will encourage archers to get involved in other aspects of the SCA besides archery. After much discussion, it was decided that we don't have the money for it at the moment.

Baronial championship – Cuan has not heard back from the Scout Camp yet so we should be considering other sites. Sile has a site in Farnham that might work.

3. Baronial Artwork

After a few recent requests for baronial artwork, Angharad asked if it would be possible to create a repository on the website of high-resolution digital images of the Baronial device, Squamifer's Fortune and other heraldic images so that the populace can download them for personal projects (banners, bumper stickers, etc). Eudes said that he would look into it.

4. Award Recipients

Jeanne would like to have a page on the website which lists all of the recipients of the Baronial Awards (Squamifer's Fortune; Dragon's Scale; Purple, Silver and Gold Mountain).

5. Webminister Report

When an office changes hands and the new officer does not already have an EK email account, Eudes does not have access to create one for them. Angharad needs to request the creation of the new account, then Eudes will be able to transfer the permissions over to the new officer.

*Update: Angharad checked with the EK Webministry. The new officer needs to go to the following website to create their own account: <https://members.eastkingdom.org/newaccount/> Once the account is created, then the officer should contact Eudes to direct the emails for their office to the new email address.

Training – Eudes would like to schedule an evening to teach the officers how to use Wordpress so that they can log on to the website and make modifications relevant to their office (calendar, etc.). He would also like to run a class on using Google Docs/Google Meet.

6. BIA 2019

There are no dates in February that work for Sile/CellachDonn. March 2nd is a possibility. Sile will check the availability of the site and send out the proposal for the event on the mailing list because it should not wait until the next Curia. We've been in discussion with the Barony of the Bridge and they are willing to move their Investiture to a later date.

Motion to close. 1st: Cuan 2nd: Sile
