Baronesses' message

Hello to all,

Firstly, I would like to offer a warm welcome to the new member of the Barony: Perceval!!  
Beautiful little boy of their Excellencies Leana and Reinhart! All our congratulations!

Sile Dhubh and I have got our hands full, we have a few projects in preparation, among which  
the heraldry for the rewards of the Mountains, tokens and some surprises, we can't however  
just unveil everything!!

We went to the Coronation of our new King and his Consort and have sworn oath in both languages that represent our beautiful barony, and their Highnesses appreciated the gesture. We also continued the tradition of taking pictures of our barony's members travelling afar.

We now have an official Discord! We will try to organize a night for you to come discuss with us on subjects that interest or preoccupy you and this once a month.

### SILE DHUBH & CACHT MHOR

### IDD Curia of April 22nd

Here is a quick recap of what were discussed :

- Looking at option to organise medieval dance sessions.
- Looking at planning a summer BBQ between IDD members. Maisonneuve Park is Montreal would be a great central location. Date TBD.
- We have a new acting captain of fencers in April Beaudoin. Congratulations!
- We have set up a discord server for the Barony : <https://discord.gg/vwP64Trppp>
- Budget requests:
  - Our baronesses would like some "business cards".
  - Need to finalise three Barony Awards (missing drawing) and submit them officially (there is cost associated with submission)
  - Might need a new wall sheet of our Barony for Pennsic
- Discussion on no-show pre-registered (unpaid) people for events and how it impacts us since we engage money on food etc.
- Do you know it will be the 20th anniversary of IDD in March 2025 (at the same time as the 25<sup>th</sup> anniversary of Havre des Glaces)?! Maerwynn and Ranulf are working on a bid for the BIA in 2025.
- Exchequer report:
  - 122 people attended our BIA in February, and we made a profit.

Next Curia: possibly in June (need quarterly minimum)

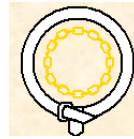

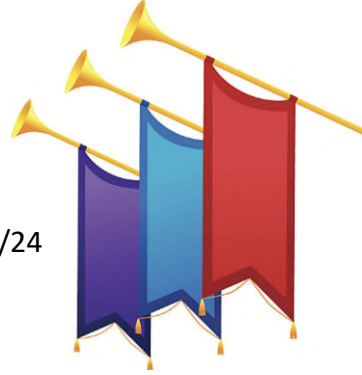

Next MOOT (2 yearly minimum): TBD

### New IDD Discord server

Greetings,

Maerwynn and Ranulf have recently been working on a Discord server for the barony. This initiative aims at having another communication option, one possibly more modern and more encompassing than Facebook. We wish to facilitate everyday communication, the organisation of information, as well as welcoming newcomers to the barony. Folks tend to let go of Facebook as their default communication medium in favour of other options, such as Discord.

This project is still undergoing development. As such, if you have ideas that could benefit the server, please let us know. We'd be happy to receive your comments and idea and discuss their implementation.

The transition won't be a full one. This means that most official information regarding the barony's activities, office changes and other similar topics will still be shared on Facebook as well as Discord.

Tutorials will be added to facilitate the transition and the learning of this new platform.

Please feel free to reach out to Maerwynn and Ranulf if you have any questions.
